

Download 2015 Ve Commodore Owners Manual

The Holden Commodore is a medium to large sedan sold by Holden since 1978. It was manufactured from 1978 to 2017 in Australia and from 1979 to 1990 in New Zealand, with production in Australia ending on 20 October 2017. From 2018 the Holden Commodore is fully imported from Germany. The Holden Commodore (VZ) is a full size car that was produced by the Australian manufacturer Holden from 2004 to 2006 as a sedan, and to 2007 as a wagon and Ute sold alongside the new VE series. It was the fourth and final iteration of the third generation of this Australian made model and the last to spawn a coupé variant. Its range continued to include the luxury variants, Holden Berlina ...Recalls and faults: Holden VE Commodore (2006-13). Includes model range, engines, transmissions, safety equipment, crash testing, features and updates. Introduced the locally designed Aussie V8 – in 4.2 and 5.0 litre versions – to strong demand. It featured design changes such as wraparound rear light clusters, wider track, improved suspension, new instrument panel and wiper system and offered a 14-model selection (Monaro demand exceeded supply), a choice of five engines, four gearboxes, and a lengthy list of options, including a limited ...
