RSPCA Pet Guide: Care For Your Hamster. by RSPCA May 2015 Published in association with the RSPCA, the UK's leading animal welfare charity, this practical family guide is full of expert advice on how to choose a hamster and how best to look after it. I think we have something in common! We love big mutts and we cannot lie! Do you also want to be a veterinarian? Is that your dream too? There is a way to find out if this is for the both of us. Let us answer these questions together and see how we score! Are you familiar with terminologies and ...Necropsy Guide for Dogs, Cats, and Small Mammals. by Sean P. McDonough, Teresa Southard November 2016 Necropsy Guide for Dogs, Cats, and Small Mammals is a complete, practical resource for performing necropsies on dogs, cats, rabbits, rodents, and ferrets in the veterinary clinic, animal shelter, research laboratory, or in the field. Neutering, from the Latin neuter ('of neither sex'), is the removal of an animal's reproductive organ, either all of it or a considerably large part. "Neutering" is often used incorrectly to refer only to male animals, but the term actually applies to both sexes. The male-specific term is castration, while spaying is usually reserved for female animals.
