This HTML version of the full GDPR is provided by the IAPP and formatted with anchor links to easily link to specific articles and recitals in the law. The General Data Protection Regulation (GDPR), a new European Union data privacy and protection regime, has already entered into force and is slated to become effective on May 25, 2018. Designed to provide greater protections to the personal data of individuals located in the EU, the GDPR imposes a host of new obligations on both “controllers” [...] At a glance. The GDPR and the Data Protection Act 2018 set out exemptions from some of the rights and obligations in some circumstances. Whether or not you can rely on an exemption often depends on why you process personal data.
