

Download Ballast Are Review Manual

Successful exam preparation requires the best resources, and the ARE Review Manual gives you the power to pass all seven divisions of the ARE. This one book, updated to the 2007 AIA documents and the 2009 International Building Code, provides you with a complete and comprehensive review of the content areas covered on the ARE divisions. Additional chapters covering basic mathematics, important building regulations, and barrier-free design supplement your preparation regime. Ballast publishes practice exams separate from the ARE Review manual. All the content for the practice exams is taken directly from the ARE Review Manual. Each practice exam book also includes vignette sample problems to that you can work out on paper. The ballast practice exam books are really good and I highly recommend using them. Successful exam preparation requires the best resources, and the ARE Review Manual gives you the power to pass all seven divisions of the ARE 4.0. This one book, with over fifty chapters, provides you with a complete and comprehensive review of the topics covered on the ARE divisions.
