Commencement Speech at University of Pennsylvania by John Legend. My father often talked to us about his definition of success. He told us that it wasn't measured in money and material things, but it was measured in love and joy and the lives you're able to touch -- the lives you're able to help. Anecdotes. Personalizing any speech with anecdotes that are about the happy couple is most important. And make sure it's light and funny. In other words, a story about when Spot or Rover died will not work. A hospice patient in Tyler, Texas had one final wish: to see his daughter graduate from high school. But the dad was unsure he'd be able to hold out until the May ceremony, so the school held an ... Graduation day is when students pass out from their studies and look forward to working and starting a career. During the graduation day, the students can send short funny thank you messages for their guidance, education and help they provided for the graduation.
