10 STEPS TO LAUNCH YOUR INTERIOR DESIGN BUSINESS. Starting an interior design business is tough. It's a saturated market and it's hard to stand out. Here are ten ways that you can launch your business and cut through the rest out there to develop a strong client base!

How To Start An Interior Design Business. You don't need to spend money on renting a space. Have client meetings at their home or find a local coffee shop. (Hint: You probably need a business license even if you're working from home though, so check with your city.)

6. You need a contract or a letter of agreement. This often makes complete sense for most interior designers, the only slight hiccup may come as you look to grow your interior design business and add more interior designers you might prefer to have a branded business name. Don't fret too much over your logo, some of the best logos are best when kept simple and easily readable. It should match your own style and the niche you have chosen to serve as part of your design business.
