

Download Chilton Heavy Duty Labor Guide

Of all the labor guides out there, which one is best for you as a heavy duty shop owner? First, some quick history. Chilton, born 1896. It was 1896. Utah had just become a state. James Artman published the first edition of Cycle Trade Journal, and the labor guide industry was born. Eight years later, Artman founded Chilton Company of Pennsylvania. These labor guides provide specific labor time estimates for many repairs that can be made on medium- and heavy-duty trucks and equipment. The Motor heavy Truck labor Guide is a hard cover manual that is about 3 inches thick and weighs about eight or nine pounds. We carry these heavy truck labor time estimating guides going on up to 2008. Heavy truck labor time estimates have now been made simpler than ever thanks to the release of Labor Time Guide from Diesel Laptops. Labor Time Guide allows users to look up common labor times for removing and replacing components on all class 8 trucks, along with the engines, transmissions, and power train components. Chilton 2011 Labor Guide CD-ROM.
