We would like to show you a description here but the site won't allow us. Text Master 1.50 (560KB) A plain text editor with extra features and is a good alternative of NotePAD. A file conversion is just a change of the file that was created in one program (TXT file) to a form intelligible for another program (i.e. STW format). There are many websites offering file conversion of TXT to STW files "Online" - without having to download a special program to your computer. However, if you have not found the appropriate TXT file converter in the Internet, you can use our ... Text txt. TXT is a document file format that supports plain text. Almost all the applications recognize and support TXT file because it does not contain any text formatting. Also all the Operating Systems and devices support this file as it contains the ASCII characters only.
