Get Powerful Bass in a Box. Unleash unbelievably deep bass performance from an astonishingly compact subwoofer. Pound for pound, Definitive Technology subs are the best on the market, packing earthshaking power that blows larger, costlier subs right out of the water. Subwoofer Placement Your Definitive Technology subwoofer has been designed to operate at frequencies generally below 125Hz. Because low-frequency information in this range essentially is non-directional, your subwoofer can be located anywhere in your listening room that is most convenient.
