FOREWORD. Disability law is an area of law that overlaps with many other areas of law – including employment law, administrative law, elder law, consumer law, construction law, insurance law, school law, health law, social security law, and civil rights law. The disability rights movement is a global social movement to secure equal opportunities and equal rights for all people with disabilities.. It is made up of organizations of disability activists around the world working together with similar goals and demands, such as: accessibility and safety in architecture, transportation, and the physical environment; equal opportunities in independent ...NCD annual progress report assesses how EEOC, U.S. Access Board, and DOL offices are implementing and enforcing the ADA and other federal disability rights laws. Disability is a contested concept, with different meanings in different communities. It may be used to refer to physical or mental attributes that some institutions, particularly medicine, view as needing to be fixed (the medical model). It may refer to limitations imposed on people by the constraints of an ableist society (the social model). Or the term may serve to refer to the identity of ...
