Modernity has opened the way to a greater pluralism of forms. But even if architecture is a cultural phenomenon, that does not mean it is a product of fashion. Its principles are enduring and its foundations less tangible than the novice who tried to shake them would realize. Modernity has opened the way towards a grand diversity of form. However, even if architecture is a cultural phenomenon, this does not mean it is a product of fashion – it is not ephemeral enough for that. An architect just starting out is best advised to aim for the essential, or to rediscover ...
