

# Download Family Tree Project Grade 2

What is Geno Pro?. Geno Pro is the most intuitive and complete family tree and genogram creation tool.. A genogram is a family tree that includes additional information about the relationships and the individuals. Genograms are used by doctors, family therapists, genealogists, sociologists, social workers, researchers, and anyone who is interested in discovering patterns and issues in a family. **PROVEN AND AWARD-WINNING!** Project Learning Tree is an award-winning environmental education program designed for teachers and other educators, parents, and community leaders working with youth from preschool through grade 12. As a member, you'll also get unlimited access to over 75,000 lessons in math, English, science, history, and more. Plus, get practice tests, quizzes, and personalized coaching to help you succeed. A set of lovely family tree template worksheets, useful for lessons on the family, family members and the personal history of your students. These worksheets feature a beautiful tree design with spaces for the pictures and names of family members.
