Download

The Fiat Linea (Type 323) is a compact car released on 26 March 2007 at the Tofaş plant in Bursa, Turkey, by the Italian automaker Fiat as a world car in developing countries. It is based on the current Fiat Grande Punto platform. The Linea was designed by Fiat Style Centre and co-developed by Tofaş (joint venture between the Fiat Group and Koç Holding) and Fiat do Brasil. The grande punto sporting jtd has been absolutely great. I had several niggles in the second year of ownership but none of them made the car undrivable, the engine never missed a beat, always got ... The Fiat Barchetta (Italian pronunciation: [ˈfiat barˈkɛtta]) (Type 183) is a roadster produced by the Italian manufacturer Fiat from 1995 to 2005. "Barchetta" in Italian means "little boat", and also denotes a type of open-top sports car body style. It's not corrosion that's the issue with the syncros it's erosion. The gl5 additives bond with the surfaces forming a hard coating. In the case of the brass/bronze syncros this coating gets stripped off *mechanically* and each time this takes some material with it.
