

Download First Steps In Clinical Supervision A Guide For Healthcare Professionals

First Steps in Clinical Supervision is designed as a toolkit for anyone starting out as a clinical supervisor. The book focuses on developing core skills of supervision, as well as your ability to reflect and improve on those skills. First Steps in Clinical Supervision is core reading for qualified nurses and healthcare professionals working in a supervisory role, either formally or informally, or taking CPD courses to supervise staff and colleagues. First Steps in Clinical Supervision is core reading for qualified nurses and healthcare professionals working in a supervisory role, either formally or informally, or taking CPD courses to supervise staff and colleagues.
