

# Download Going Abroad The Bathroom Survival Guide

Because the staggeringly different toilets to be found abroad can confound and frustrate even the most intrepid travelers *Going Abroad: The Bathroom Survival Guide*: Eva Newman: 9781892147035: Amazon.com: Books *Going Abroad* is full of neat drawings of different toilets, how to 'squat' and get up from one (trickier than you might think!), and how to clean oneself without the use of toilet paper, which is not found in many parts of the world ( water is used) and when not to flush the toilet paper that is at times supplied. Because the staggeringly different toilets to be found abroad can confound and frustrate even the most intrepid travelers, this unique guidebook gives solid and humorous advice on using the multitudes of public facilities from how to actually flush a high-tech toilet in Japan to etiquette when using a Chinese unisex public trench.
