

Download Google Drive Manual Upload

Official Google Drive Help Center where you can find tips and tutorials on using Google Drive and other answers to frequently asked questions. Access Google Drive with a free Google account (for personal use) or G Suite account (for business use). After you store a file in Drive once, you can open it from any web browser on any device. You can also work with the file using the Drive app on Android and Apple® iOS®. For example, if you upload a file to Drive on the web, you don't have to upload it on your phone and tablet, too—you'll automatically see it there.
