The Studebaker Avanti is a personal luxury coupe manufactured and marketed by Studebaker Corporation between June 1962 and December 1963. The automaker marketed the Avanti as "America's only four-passenger high-performance personal car." Described as "one of the more significant milestones of the postwar industry",: p257 the car offered combined safety and high-speed performance. Street legal or road going refers to a vehicle such as an automobile, motorcycle, or light truck that is equipped and licensed for use on public roads, being therefore roadworthy. This will require specific configurations of lighting, signal lights, and safety equipment. Some specialty vehicles that will not be operated on roads therefore do not need all the features of a street-legal vehicle ... The Idiot's Guide to the PID Algorithm. This crash course in the fundamentals of PID control uses the analogy of a car on a freeway changing lanes to represent the process under control and walks you through those easy to visualize "thought experiments" to cement the concepts in your mind.
