Group award code: GL57 15 (96 SCQF credit points) HNC Computer Aided Draughting and Design at SCQF level 7 consists of seven mandatory units (64 SCQF credit points) and four optional SQA credits (32 SCQF credit points). Planning Process Paper. The Planning Process There are many companies around the world that have been very successful in their business. Though the one thing that all these companies have in common is planning diligently, “planning is the conscious, systematic process of making decisions about goals and activities that an individual, group, work unit, or organization will pursue in the ...[page iii] Foreword. BY THE SECRETARY OF STATE FOR EDUCATION AND SCIENCE AND THE SECRETARY OF STATE FOR WALES. Few subjects in the school curriculum are as important to the future of the nation as mathematics; and few have been the subject of more comment and criticism in recent years.
