1. First experiences with the chastity belt. My husband is often away from home for longer periods. Therefore I do not have a lot of chances to have intercourse.kept by wife and stepdaughter as baby. So here I was sitting in this baby swing she had just put up. I could not stop bouncing just as one of my red slippers with the bell on the toes hit the ground ,I would bounce up again.It's not long before her tired feet and sore nipple make her desperate for release. Leila had done her job all too well and it would be a while before she gets out of this one, she made sure of that!The Trained Husband. by Steve . Thursday "Come here Stephanie" a voice from the hallway called. "Come along, we have to get you to the gates by 10 o'clock and it's 9.30 now"
