Bought this 14X7B 8' drill recently. It has been sitting unused for several years, but is not rusted out, and seems to be in good condition. It has the powerlift (rope pull lever actuator thing) that does the lowering and raising of the disks, and it seems to not be working right, or either I don't know how to operate it. Buy Now: Walk-Behind Lawn Mower Service Manual. Our walk-behind lawn mower service manual includes information on mower maintenance, mower identification, engine operating procedures, troubleshooting and service procedures, self-propelled drive systems, blades, brakes and clutches. Low cost IHC Farmall tractor manuals in stock. These contain the information you need for maintenance and repairs, or to operate your older IHC Farmall tractor. I've always used the grain drill for rye grass and wheat ... my neighbor told me to use his 3 point spreader says it will be faster and does as good a job.
