Describing the moment it struck, awaking from a coma I'M NEVER ILL: A journey through brain surgery and beyond... - Kindle edition by Mark D Pritchard. Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading I'M NEVER ILL: A journey through brain surgery and beyond....I have been following Mark on twitter for sometime now. I cannot remember exactly how I came across his feed but was drawn to his bio of surviving a brain haemorrhage and his wife's battle against breast cancer. It was very recently though that I became aware of his book documenting their journey ...This is a video to promote my book which tells the incredible story of my wife, Sarah, and I survived grave illnesses. After I suffered a brain haemorrhage in 2009, Sarah was diagnosed with breast ...
