New and used items, cars, real estate, jobs, services, vacation rentals and more virtually anywhere in Ontario. I have a ten year old BX2750B whose housing is rusting out in numerous places. I need to remove the auger/gear assembly to either try and repair the old housing or replace it. I removed all the bolts from the auger but can't separate the auger drive shaft from the the rest of the housing. I called my dealer and someone said he thought the secondary auger needed to be pulled out with the ...
