

# Download Medical Readers Theater A Guide And Scripts

Compiled for the first time in a single text, *Medical Readers' Theater: A Guide and Scripts* provides a vehicle for those who wish to engage in discussions among citizens and professionals about important, topical issues in contemporary medicine. "Theater is a fine vehicle for discussion of ethical and social issues in healthcare, and *Medical Readers' Theater: A Guide and Scripts* is a helpful introduction to its use."—Nancy M.P. King, Professor of Social Medicine, UNC School of Medicine "Medical Readers' Theater is a collection of skillfully rendered, easy-to-perform dramatizations of citizens' encounters with health professionals. Savitt's generosity in making his work available to us, with guides for production and discussion, is a gift that will educate and move all those who experience these plays—as audience or participant." *Medical Readers' Theater: A Guide and Scripts*
