

Download Mercedes Manual Transmission Cars

The manual transmission is on the endangered species list. Every year fewer and fewer cars are offered with a clutch and a shifter. Why? Americans just don't want to be bothered with the chore of ...Some manufacturers, including Audi and Mercedes-Benz, have completely eliminated row-your-own transmissions from their lineups. For this list, we scoured our new car rankings and reviews to find those cars, trucks, and SUVs that either come standard or are available with manual transmissions. Years ago, it was easy to find a wide range of luxury cars with manual transmissions, as they were offered by virtually every manufacturer -- from BMW and Audi to Lexus and Mercedes-Benz. But that's no longer the case: If you're interested in buying a luxury car with a stick shift, you've probably already figured out that there aren't many options left.
