Hi Bill, Ok - its a new W164 model - kind of a pain to replace the battery - its located under the passenger seat & if not been done before you need to cut the carpet under the seat to gain access - there are some perforations to guide you. Click on the link for instructions: Replace battery Reset wise - the radio has no code so no problem there. The windows will need re-synchronising - they ...2000 S500 - key won't turn/battery is dead - Over the last week or so, the car would struggle a little more and more every time I turned it on. Finally t...
