

Download Merit Increases For 2014

Over the past few years, when merit increase budgets were approximately 2.5 percent or less, top performers at these organizations were twice as likely to see increases of 5 percent of base salary ...Market forces will temper merit increases. The lean macroeconomics of the 2010s still determine a lot about salary trends. “We expect more of the same modest merit increases, primarily due to low inflation and high unemployment,” says Bruce Elliott, manager of benefits and compensation at Society for Human Resource Management in Alexandria, Va.
