BE EMPOWERED Unleash Your Potential-Uplevel Your Life. Hi! I'm Coach Lori. Are you looking for change and a better way of living? I can help. I have invested over 11 years developing my powerful Rapid Results - Mind Empowerment Coaching Program and Audio Series that has helped thousands of men and women create the conditions for their best and highest self to emerge personally and professionally. WELCOME TO MINDMASTERS UNLEASH YOUR HIDDEN POTENTIAL. Achieve Self Empowerment through Mind Management. Experiential learning sessions based on Neuro Linguistic Programming (NLP) to create self awareness of the power of our mind and behaviour. To remain optimistic, discipline your mind to stay clear of catastrophic, bogged-down thoughts and the "what if" slippery slope of anxiety. Join CEO of Lee Harris Energy, Lee Harris, as he focuses specifically on the new level of empathic sensitivity present for more people than ever before. It can show up as intuition, emotional sensitivity, artistry, and heightened senses. He explains how to nurture, express and expand it in your life, and also why those who have been long sensitive are experiencing radical shifts in their lives ...
