Save money on Used 2012 Nissan Altima models near you. Find detailed gas mileage information, insurance estimates, and more. "first gen altima" I owned this car at the end of its life anyway. I have no fair opinion. I liked the car, it was very quick for a four door sedan. Has the same motor as the 240sx. Very comfortable. The gas I had had all the power options I could want. Didn't put a lot of maintenance into it and that was what eventually killed it.
