

# Download Nursing School What Its Really Like What You Need To Know

You will know what every organ in the body does and how every disease process affects it. You will know how to prevent bedsores, insert a Foley catheter, perform chest compressions, insert a nasogastric tube, interpret ECG rhythms, suction a trach and the list goes on and on. Nursing school is a world of its own. Nursing School Reality: What is it Really Like to be a Nursing Student? Earning a degree in nursing is one of the more challenging courses of study a student may embark on. And yet, nationwide, there is no shortage of enrollees in nursing programs. For some students, however, it may come as a bit of surprise how much dedication and work are required to be successful. I'll be starting my pre-reqs in the Fall in order to start the BSN program. I was wondering what Nursing school is really like? Is it as hard as people say it is going to be? I've heard that it's a lot of reading and studying. I'm just worried I won't be able to handle the workload! I'm also worried I'll... You always heard there was a non-existent social life in nursing school, now you really see what they mean. 12. 1st Semester DONE! Now come the specialty clinicals.
