

Download Onity Ht28 Smart Manual

HT24W vs. HT28 Smart This manual applies to the software and hardware that makes up the HT24W and HT28 Smart systems. The systems are identical in many ways, but there are several important differences.

HT24W The HT24W system uses Windows based software to manage and control the HT24 series magnetic stripe locks and/or HT Proximity Locks. HT28 ...Designed for multi-applications, this solution is the closest stand-alone lock to an on-line locking system. The HT28 Smart system, in conjunction with the Revalidator, improves the security, productivity and management of your property through the use of smart card technology.
