Divemaster Practice Exams. With our Divemaster program, we help you prepare for your Divemaster final exam. This is not a substitution for the e-Learning you find with PADI nor is it an attempt to provide you with the answers to your actual final exam. These practice exams are an extra guide to help you with one thing – PASS YOUR FINAL EXAM! The above test is about passing the Padi training tests, if you answer different to what they have in the manuals and they are expecting at the time of a test then you fail, regardless of what reality is or what anyone else has to say on the matter. So anyone reading this discussion, consult your Padi teacher or manual if you are uncertain.
