Parkers publishes definitive car reviews of new and used models for sale in the UK. Read our expert tests to find the right vehicle for your needs at the right budget for your finances. Our reviews are packed with independent car advice, specs, photo galleries, hints and tips you can trust. Parkers is the UK's most-trusted site for reviews of new cars and used cars, plus car buying advice, free valuations, cars for sale, and car leasing deals. I used to use this site regularly as a... I used to use this site regularly as a Sole Trader to get a quick price for any potential car. Just noticed recently that they appear to have removed the ability to enter a registration number, this greatly reduces the ability to get a semi accurate valuation for your car, and yes they are still charging the same. I've been a fan of [www.parkers.co.uk](http://www.parkers.co.uk) for years now. Whether it's the Parkers Used Car Price Guide, Parkers Car Reviews, or their classified ads, whenever I have a question about a car, Parkers are the authority I use to get the best information.
