kevin.shelton@okstate.edu Compendium of Soybean Diseases and Pests, Fifth Edition Preface Introduction History and Growth of the Soybean Plant Worldwide Importance of Soybean Pathogens and Pests This all-new disease and insect compendium for sunflower crops will serve as a vital field guide at universities, extension offices, diagnostic labs, farms, and even homes where sunflowers are grown. I learnt that the Scientific Publishers is one of the leaders in publishing books relating to agricultural and environmental sciences. It aims to cater to the needs of the scientific communities like students and research scholars, researchers, academicians, development personnel, evaluation practioners and policy makers through publishing high quality books, monographs etc. Publishing through ...
