

Download Rotation Schedules For Field Day

Field Day Directions (overview of the day and tips for success) Field Day Map (make a map with each station numbered and rotation directions) Starting Positions (where each class will begin their Field Day) Time Out Slips (if kids need to “refocus” they fill out a reflection sheet for 10 minutes)Some rotation schedules use a pattern that repeats every fortnight (2 weeks), and may be referred to as 2/3/2. I created the Rotation_Advanced worksheet specifically for cases like this, where the repeating pattern is "11xxx11xx111xx" with "x" meaning OFF and the "1" meaning ON. Day shift for X months, then Night shift for Y monthsFollowing is how I run my field day at Duncan Falls Elementary. About 1 - 2 weeks prior to field day, I send home a notice describing field day and asking for volunteers. Volunteers can choose between the morning session or the afternoon session or even both.Lower Elementary Field Day (Grades K3 to 1) Step by Step, March 12, 2010 ...
