He led me into his massage room, which was an incredibly warm and sun filled atrium at the front of his apartment, overlooking the lake. I did notice a few clues in the place that lead me to believe he lived with a woman (high-heels under the coffee table, make-up on the kitchen counter...).⁴ The heterosexuality gap. In 2002, among people ages 18-44, men were more likely than women to report being attracted only to the opposite sex.
