

Download Stealing Speed The Biggest Spy Scandal In Motorsport History

Stealing Speed: The Biggest Spy Scandal in Motorsport History [Mat Oxley] on Amazon.com. *FREE* shipping on qualifying offers. This is the compelling story of how one of Japan's biggest motorcycle manufacturers stole a Nazi rocket scientist's engine secrets from behind the Iron Curtain to conquer the world. Stealing Speed focuses on a piece of history often forgotten due to the political turmoil that overshadowed it. The story of motorcycle engine development from the 1940s to present day is very interesting with complex characters, moments of action and of course anticipation of the results. Stealing Speed: The Biggest Spy Scandal in Motorsport history. ... This is the remarkable true story of how one of Japan's biggest motorcycle manufacturers stole a Nazi rocket scientist's engine ... Stealing Speed: The Biggest Spy Scandal in Motorsport History is the result of countless hours of research and interviews by the author, a noted motorcycle racer, commentator, and writer, and within its pages is the almost fantastical story of how a young Japanese motorcycle company, Suzuki, was able to steal a former Nazi rocket scientist engine secrets from behind the then-Iron Curtain and used them to dominate sports bike racing.
