

Download Study And Master Teachers Guide Socia

Social studies is an interdisciplinary topic that includes history, government, sociology, psychology, economics, and geography. This program can enable a student to focus on advancing their knowledge and expertise in a single topic or study to add additional subject-matter endorsements to their teaching credentials. Master of Teaching - Social Studies Do you want to be a Social Studies teacher in middle or high school, teaching history, civics, economics, and/or geography? Apply now to join the Curry School's Teacher Ed community, ranked #9 among the best secondary education programs in the country. Teaching Social Studies Social studies is defined by the National Council for Social Studies as "the integrated study of the social sciences and humanities to promote civic competence." General social studies establishes a foundation for all of the subsequent, more specific classes that students will take in history, civics and the like.
