

Download Stupid Laws Of Venezuela Funny Dumb And Strange Venezuelan Laws

Silent Night, Stupid Night: More Idiotic Laws from Venezuela. Just like in similar cases, the local authorities claimed that the night riding ban will help curb the criminality. The ban has a very powerful negative impact on the "motorizados", both motorcycle taxi drivers and couriers. According to Reuters, the protesters also said...A Few Facts about Recent Venezuelan Laws and the Case of Judge Afiuni. The financier's accomplice was arrested in Panama more than a year and half ago, and after being turned over to the authorities of Venezuela confessed the whole scheme. His lawyers delayed the trial with legal maneuvers, until about six months ago,...Prisons in Venezuela. Conditions in Venezuelan jails are harsh and dangerous, and among the worst in the world. There are no secure areas for visitors to meet with prisoners and all visits take place amongst the general prison population. Believe it or not many prisoners carry firearms and violence is common. Venezuela to ban stupid names. Current Venezuelan law already has a similar measure saying registry authorities should not accept names that would expose children to ridicule. But the issue has until now been left up to the discretion of individual bureaucrats.
