

Download The Art And Science Of Child Custody Evaluations

As a multidisciplinary team of specialists in family therapy & counseling, psychological & neurodevelopmental assessments, and forensic services, we offer comprehensive care for children, adolescents, young adults and families. In R. M. Galatzer-Levy, J. Kraus, & J. Galatzer-Levy. (2009). *The scientific basis of child custody decisions*. (Second edition). Hoboken, NJ: Wiley. Parental alienation syndrome (PAS) is a term coined by child psychiatrist Richard Gardner and introduced in his 1985 paper. The term was used to describe a suite of distinctive behaviors that he argued were shown by children who have been psychologically manipulated into showing. Those behaviors include unwarranted fear, disrespect or hostility towards a parent and/or other family members. YCSD Families, Welcome back! We hope you had a great summer and spent time relaxing and enjoying family and friends. We're ready for a 2018-19 school year that builds upon the success of last year to deliver even more progress in achieving the five goals in the strategic plan: academic achievement; supporting the whole child; improving parent, family and community engagement; attracting and ...
