

Download The Eye Care Sourcebook

This Sourcebook has the latest information and data on pressing health care topics. It also includes the names and contact details for top experts in each subject area, along with a comprehensive glossary of health care policy terms. Eye discharge is a yellowish, sticky, crusty, substance that can sometimes make your eyes feel like they have been glued shut. It can be temporary—such as when you wake up in the morning—or persistent, in which case medical attention should be considered. Unfortunately, most of us have had to deal with a swollen eyelid at some point in our lives. This condition can cause discomfort, embarrassment, impaired vision, and difficulty applying cleanser or make-up. Strata is a full-length, full-colour, hardback sourcebook for the Spire RPG. (If you'd like to learn more about Spire, you can check out the summary on our website, or listen to Rusty Quill's actual play series of the system. In short: you play a cell of dark elf revolutionaries caught up in a secret war against your high elf colonisers in a weird, labyrinthine metropolis.)
