

Download The New Traditional Woodworker Jim Tolpin

I'd like to offer you a Bad Axe Tool Works saw as it would have appeared fresh out of a 19th Century American sawmaker's shop with your choice of gunsmith-blued or bright-polished stainless steel back, slotted or split-nut fasteners in three alloys and four finishes, and a highly-figured traditional handle in Cherry or Walnut. Just starting out with hand tools? The Minimalist Woodworker by Vic Tesolin – \$24.95 Vic Tesolin is certainly one of the most talented AND personable influencers I know in the hand tool world, and his book addresses those new to the craft who simply don't know what they don't know but want to get started. Workbench Cabinet. Workbench Cabinet details shown above. Click the photo for a larger image. This cabinet is built in two sections and fits snugly on the maple stretchers at the base of the bench.
