One of the challenges of living in today's fast paced, multi-tasking, don't have time to smell the roses world, is that we miss the opportunity to see the miracles, the joy, the boundless good and the wealth, health and happiness that surround us. We rush from one thing to the next with hardly a chance to savour any of it. The Stress Proof Life: The Secret to Health, Wealth, and Happiness. According to a recent American Psychological Association poll, nearly a quarter of Americans confessed to currently feeling under "extreme stress." Respondents especially blamed physical issues, relational problems and the economy as the primary sources of their stress.
