Need a service/repair manual and parts manual for my Timberjack and having ZERO luck. Hoping one of you can point me in the right direction. I have tried John Deere (both online and spoken to a "reference librarian" on the phone) but they don't have the manuals for my model - said they'd get back to me if they could find anything. Not holding my breath. I need someone who owns or works on timberjack skidders to help me with a problem. I just bought it and the winch works as it should as long as your in neutral , the pto shaft turns all the time and I'm wondering if this is normal. when you put the winch lever to the 3 or carry position the brake from the winch holds the tractor so it won't move. Hatch, like TIO asked is this timberjack or what I call a johnjack . The 460-460c will be an original timberjack, and the 460d will be a john deere with timberjack badging, they are completely different machines. I can help with either one and have service manuals for both. The original timberjack 460 will have a cummins engine.
