An alteration is defined as: a) a physical change. b) restoring the vessel to original conditions. Hey all, Like i said before on the old test section of this website, nothing beats studying for this test than taking old exams and then analyzing why you got the answer wrong or right. helps if you have a spreadsheet to track it. i think that over 70% of the exam is repeat concept testing (you will see the same cite i.e. 608.01n etc repeated over and over). TOEFL Reading. Before you can ace a test, you have to understand what it's testing. The TOEFL reading section is a test on how well you can read and understand passages in written English.
