Our Story. Since 1992, we have provided training and coaching in business analysis, project management, agile, BRM, BPM, and influencing and leadership skills that turn the complexity of industry standards into practical application. Our courses are laser-focused for the business analyst, project manager, and process analyst and lead to enduring results in organizations. IIBA® Recertification Requirements: A minimum of 60 Continuing Development Units (CDUs) during each 3-year cycle for CBAP and CCBA recertification; A maximum of 30 Professional Development CDUs per 3-year cycle (in-person, virtual, and Anytime Learning self-paced Watermark Learning classes listed here); A maximum of 15 Self-Directed CDUs per 3-year cycle Learning outcomes. To assimilate the vast amount of information needed to pass the CBAP® exam, there is a mixture of lecture, discussion, exercises, and several practice exams in the course. Be prepared to answer practice tests to simulate the exam, with discussions about why answers were correct or incorrect. Your path to the CBAP will depend on your experience, budget and time line. These 8 steps to becoming a CBAP put each decision you'll need to make in context.
