## Answers

World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...Welcome to World History. Want to become a World History expert? With all the exciting resources, activities, and links right at your fingertips, you're well on your way!Welcome to Modern World History. Want to become a Modern World History expert? With all the exciting resources, activities, and links right at your fingertips, you're well on your way!A world view or worldview is the fundamental cognitive orientation of an individual or society encompassing the whole of the individual's or society's knowledge and point of view.A world view can include natural philosophy; fundamental, existential, and normative postulates; or themes, values, emotions, and ethics. Worldview remains a confused and confusing concept in English, used very ...
